The Secretary

Indian Nursing Council

Okhla Phase-I, New Delhi-20

**Subject : False Information regarding inadequate Clinical facilities of our hospital**

Sir/Madam,

I hope this letter finds you in good health. I am writing on behalf of Guwahati Metro Hospitals Pvt. Ltd to address a concerning matter that has recently come to our notice by your file no. **18-04/15543-INC dated 27.06.2023**. We have reason to believe that false information has been circulated regarding the inadequate facilities of doctors, staff & patients at different departments of our hospital.

As an esteemed medical institution in Guwahati, we pride ourselves on maintaining a high standard of patient care and transparency. It has come to our notice that inaccurate reports suggesting a shortage of doctors and patients/cases have been circulated. We want to assure everyone that this information is entirely false and misleading.

At Guwahati Metro Hospitals Pvt. Ltd, we have a competent team of around full time 74 doctors, 83 nurses, and 200 support staff who are dedicated to providing the best possible care to our patients. Our hospital has consistently upheld appropriate staff-patient ratios to ensure **60-70%** of bed occupancy everyday to deliver the quality medical services without compromising patient safety.

We have not affiliated any nursing institution of Guwahati for clinical exposure in our hospital. If any intuitions is claiming so, it is false and not as per our records. And kindly inform us about that institution for providing false information to take legal action by us.

We are the only **Parent Hospital of BRAHMAPUTRA COLLEGE**, Sonapur, Guwahati till the life of the institution. We have also instructed to all our nurses to enroll under NRTS immediately.

Thank you for your attention to this matter, and we look forward to your prompt action in resolving this situation. If you have any questions or require any further information, please feel free to contact us to the undersigned at the following contact details. Supporting documents are enclosed here with for your reference and needful action.

Yours Truly,

  
Dr. Shammie Akhter  
Medical Superintendent
