Message from the Principal Advisor

I convey my best wishes to all the students (Old and New) of Brahmaputra College, Guwahati on the occasion of publication of **Academic Prospectus for New Year**. I wish that the Prospectus will help the students and guardians to learn about this institution of Higher Education.

The College and its management have a dream of becoming a new kind of institution of higher learning in this part of the country. For example, the college has already started **NURSING & PARA-MEDICAL** Programs at Undergraduate level.

Due to the knowledge Revolution and the ongoing 4th industrial Revolution, Education, in general and Higher Education in Particular, are facing serious challenges. I wish the management, teachers and guardians will all co-operate in helping the students in facing and managing the future challenges.

My best wishes and blessings are to all of you. Honest, Intelligent and Hard working People are usually successful.

Every year the College organises the Freshers' social meet. In this function the college welcomes the new students. New and existing students participate in this event with their hidden talents to make this programme colourful every year.

HOLIDAYS

The College has its individual Holidays list which is available in college annual calender. All students are requested to follow the calender.

ANTI RAGGING

Ragging is a disturbing reality in the higher education system of our country.

Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students.

Other organisations/bodies working in this field have also attempted to define ragging, the variety of definitions being reflective of differences in perspective.

In this regard student's can visit <https://www.antiragging.in>

Ragging by any means is banned in Brahmaputra College.

CULTURAL ACTIVITIES

The College worships Devi Swaraswati on the day of Basant Panchami every year at our college campus. In this holy occasion students, teachers and staff members participate and take blessings of Devi Swaraswati.

The College conducts Annual College Week every year. During these days many outdoor, indoor games as well as cultural activities are conducted. This year also the College organized one week-long activities. Students have participated with full enthusiasm and enjoyed the most. Culture is the foundation of a civilized society.

We strongly believe in this concept. The college truly encourages the students to take part in various cultural activities. Competitions like singing, dancing, drama, painting, mono-act etc. are organized. On the last day of the college week, we generally celebrate the cultural function, where we nurture the hidden talents of the students. The cultural function is followed by the Prize distribution ceremony.

LEGAL MATTERS

All matters in this Prospectus are subject to jurisdiction of the Hon'ble Courts in Guwahati only with the exclusion of all other courts in the country. If there is any difference in opinion, doubt or dispute concerning the clauses in the Prospectus, the Registrar or Principal nominated by Chairman of the Trust/Director of the college in this respect shall be approached for redress.

The College has a placement division which assists the students in finding jobs after successful completion a course. The placement division is in touch with prospective employers round the year and identifies job openings and industry trends and guides students meaningfully. The placement division organises both On-Campus and Off-Campus Interviews.

The placement division is looked after by Placement Officer of the College. He ensures placement assistance for students, keeping in mind each individual's ability and area of interest and matching it with the industry's requirements. The placement cell helps our students not only to get a good job but also to become self- reliant.

PLACEMENT TRAINING : After completion of the final semester examination, students need to attend a special training of 7-15 days for placement. In this training, students are imparted knowledge of Interview winning skills along with Soft skills, Spoken English, Personality Development and other necessary information's. The trainer also guides students in choosing a career suited to their individual aptitude.
